

# Metamorphosis song

I'm a little egg under a leaf (3 x)

That's the first part of my metamorphosis

I'm a hungry caterpillar munching on leaves (3 x)

That's the second part of my metamorphosis

Spin a chrysalis and take a nap inside (3x)

That's the third part of my metamorphosis

Nibble a hole and emerge a butterfly (3x)

That's the fourth part of my metamorphosis
